

# NATA Members' Representatives

## ROLE OF MEMBERS' REPRESENTATIVES

- represent to NATA all members in their region;
- act as a two way conduit for information supporting NATA as an association of members;
- work with NATA to facilitate engagement forums with members;
- inform NATA management of any matters of which regional members have made the Members' Representative aware;
- may act as an alternative interface between members and NATA where anonymity is requested;
- be actively involved in relevant members' fora;
- attend Members' Representatives Committee meetings;
- provide support and guidance to fellow members by acting as a sounding board.
