

NATA Training & Education Services July to December 2017

	JUL	AUG	SEP	OCT	NOV	DEC
Adelaide						
Internal Audits (2 days)			28 - 29			
Maximising robustness and reproducibility in research(2 days)				24 - 25		
Quality Control in the Microbiological Laboratory (2 days)			6 - 7			
Quality Management in the Laboratory					21 - 23	
Supervisors and Managers for the Laboratory (2 days)	26 - 27					
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Understanding NATA's ISO15189 Accreditation Req. for Medical Labs (1 day)	25					
Brisbane						
Internal Audits (2 days)		9 - 10			29 - 30	
Lab Assessor/Lead Assessor (4 days)						
Maximising robustness and reproducibility in research(2 days)			26 - 27			
Quality Control in the Microbiological Laboratory (2 days)			20 - 21			
Quality Management in the Laboratory (3 days)					21 - 23	
Supervisors and Managers for the Laboratory (2 days)			13 - 14			
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Understanding NATA's ISO15189 Accreditation Req. for Medical Labs (1 day)			12			
Darwin						
Internal Audits (2 days)					1 - 2	
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Melbourne						
Internal Audits (2 days)	25 - 26				15 - 16	
Lab Assessor/Lead Assessor (4 days)						
Maximising robustness and reproducibility in research(2 days)		1 - 2				
OECD Principles of Good Laboratory Practice (2 days)				10 - 11		
Quality Control in the Microbiological Laboratory (2 days)			13 - 14			
Quality Management in the Laboratory (3 days)		22 - 24				5 - 7
Supervisors and Managers for the Laboratory (2 days)		9 - 10				
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Understanding NATA's ISO15189 Accreditation Req. for Medical Labs (1 day)					14	

NATA Training & Education Services July to December 2017

	JUL	AUG	SEP	OCT	NOV	DEC
Perth						
Internal Audits (2 days)					1 - 2	
Lab Assessor/Lead Assessor (4 days)						
Maximising robustness and reproducibility in research(2 days)				3 - 4		
Quality Control in the Microbiological Laboratory (2 days)				4 - 5		
Quality Management in the Laboratory (3 days)				10 - 12		
Supervisors and Managers for the Laboratory (2 days)						
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Understanding NATA's ISO15189 Accreditation Req. for Medical Labs (1 day)						
Sydney						
Internal Audits (2 days)		16 - 17			15 - 16	
Lab Assessor/Lead Assessor (4 days)						
Maximising robustness and reproducibility in research(2 days)			12 - 13			
Supervisors and Managers for the Laboratory (2 days)				25 - 26		
Quality Control in the Microbiological Laboratory (2 days)	19 - 20					
Quality Management in the Laboratory (3 days)		29 - 31				5 - 7
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Understanding NATA's ISO15189 Accreditation Req. for Medical Labs (1 day)				24		
Other Centres						
Internal Audits (2 days)	5 – 6(Ta)		6 - 7(C)(W)			
Maximising robustness and reproducibility in research(2 days)					14 – 15 (C)	
Quality Management in the Laboratory (3 days)						
Quality Management in the Medical Laboratory (3 days)						
Understanding NATA's ISO/IEC 17025 Requirements (1 day)						
Understanding NATA's ISO15189 Accreditation Req. for Medical Labs (1 day)						
Legend: (C) Canberra (Ta) Tasmania (Tn) Townsville (W) Wagga Wagga
