

NATA Members' Representatives

TERMS OF REFERENCE

The duties and responsibilities of council members were previously documented in Policy Circular 31. The following is drawn from that document as a starting point for the Members' Representatives to establish a terms of reference.

Members' Representatives:

- represent their constituents to NATA and NATA to their constituents;
- act as a consultative body to NATA's Board and management with regard to issues of concern to members;
- act in the best interests of NATA and NATA members;
- act as a two way conduit for information supporting NATA as an association of members;
- work with NATA to facilitate engagement forums with members within their sphere of influence;
- collaborate with other Member Representatives to achieve decision making by consensus;
- relay to NATA management any specific problems of which State/Territory members have made the members' representative aware, relating to NATA's accreditation activities or those of NATA's accredited facilities;
- act in an "ombudsman" role - an interface between members and NATA when members have problems they wish NATA to address but wish to protect their confidentiality.
