Additional work outside the routine assessment cycle**	The first request for a change to accreditation status in one accreditation cycle may be offered at no charge. Subsequent requests such as changes to modalities, location, ownership, or issue of a new certificate etc. will be invoiced. Please contact NATA for further information.	

Important Information:

- *Ultrasound only practices adding modalities within their first 6 months of accreditation will be required to pay the difference between the entry level ultrasound only fee and the entry level fee appropriate to the number of modalities in operation.
- **Fees quoted above are only payable once during the relevant accreditation cycle, with the exception of fees levied for additional work.
- Discounted pricing may be offered for practices operating more than five sites.
- Fees are invoiced on submission of the online application for accreditation with supporting documentation. Payment terms are 30 days from the issue of the invoice.
- Review of applications for accreditation will cease if payment is not received within 30 days.
- Entry Level applications are only available to practices entering the scheme for the first time (new start-up practices). Existing practices must complete full suite applications.
- The Category of Practice is based on the number of modalities offered at the LSPN. Modalities are: Angiography, Computed Tomography, Fluoroscopy, General X-Ray, Mammography, Magnetic Resonance Imaging, Nuclear Medicine, Orthopantomography, Ultrasound
