## Notes

1. If an initial assessment has not been conducted within twelve months of the application date and the delay has been caused primarily by the applicant, an additional application fee will be charged. If the application is still pending after two years of the application date, the application will lapse.
2. See Policy Circular #1 available from the Publications section of the NATA website ([www.nata.com.au](http://www.nata.com.au)) or from your nearest NATA office.
3. More than one field or program in the same location, with the same Authorised Representative and the same company name.
4. NATA invoices on a monthly basis for accreditation services performed.
5. NATA will endeavor, when possible, to schedule other work in the nearby area to minimise the costs to customers concerned.
